

**Collaboration on Quality
Incent and Reward Best Practices Program
Clinic Performance
2008**

Performance Level Descriptions

Participating: This clinic has a provider or providers participating in the program, but specific results are not available.

Level 1: This clinic has achieved performance levels for this measure that exceed the baseline performance of program participants.

Level 2: This clinic meets and exceeds Level 1 performance for this measure.

Level 3: This clinic meets the highest program performance levels for this measure.
