 - Review the changes to Medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
 - Check the changes in the 2024 “Drug List” to make sure the drugs you currently take are still covered.
 - Check to see if your primary care doctors, specialists, hospitals, and other providers, including pharmacies will be in our network next year.
 - Think about whether you are happy with our plan.

2. **COMPARE:** Learn about other plan choices

- Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your *Medicare & You 2024* handbook.
- Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

SECTION 1 Changes to Benefits and Costs for Next Year

Section 1.1 – Changes to the Monthly Premium

Cost	2023 (this year)	2024 (next year)
Monthly premium (You must also continue to pay your Medicare Part B premium.)	\$69	\$64

- Your monthly plan premium will be *more* if you are required to pay a lifetime Part D late enrollment penalty for going without other drug coverage that is at least as good as Medicare drug coverage (also referred to as creditable coverage) for 63 days or more.
- If you have a higher income, you may have to pay an additional amount each month directly to the government for your Medicare prescription drug coverage.
- Your monthly premium will be *less* if you are receiving “Extra Help” with your prescription drug costs. Please see Section 6 regarding “Extra Help” from Medicare.

Section 1.2 – Changes to Your Maximum Out-of-Pocket Amounts

Medicare requires all health plans to limit how much you pay out-of-pocket for the year. These limits are called the maximum out-of-pocket amounts. Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Cost	2023 (this year)	2024 (next year)
In-network maximum out-of-pocket amount Your costs for covered medical services (such as copays) from network providers count toward your in-network maximum out-of-pocket amount. Your plan premium and your costs for prescription drugs do not count toward your maximum out-of-pocket amount.	\$3,800	\$3,800 Once you have paid \$3,800 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services from network providers for the rest of the calendar year.

Cost	2023 (this year)	2024 (next year)
Combined maximum out-of-pocket amount Your costs for covered medical services (such as copays) from in-network and out-of-network providers count toward your combined maximum out-of-pocket amount. Your plan premium and costs for outpatient prescription drugs do not count toward your maximum out-of-pocket amount for medical services.	\$3,800	\$3,800 Once you have paid \$3,800 out-of-pocket for covered Part A and Part B services, you will pay nothing for your covered Part A and Part B services from network or out-of-network providers for the rest of the calendar year.

Section 1.5 – Changes to Part D Prescription Drug Coverage

Changes to Our “Drug List”

Our list of covered drugs is called a Formulary or “Drug List.” A copy of our “Drug List” is provided electronically.

We made changes to our “Drug List,” which could include removing or adding drugs, changing the restrictions that apply to our coverage for certain drugs or moving them to a different cost-sharing tier. **Review the “Drug List” to make sure your drugs will be covered next year and to see if there will be any restrictions, or if your drug has been moved to a different cost-sharing tier.**

Most of the changes in the “Drug List” are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online “Drug List” to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Service for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs (“Extra Help”), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (also called the Low-Income Subsidy Rider or the LIS Rider), which tells you about your drug costs. If you receive “Extra Help” and you haven’t received this insert by October 31, 2023, please call Customer Service and ask for the LIS Rider.

There are four **drug payment stages**. The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage.)

Changes to the Coverage Gap and Catastrophic Coverage Stages

The other two drug coverage stages – the Coverage Gap Stage and the Catastrophic Coverage Stage – are for people with high drug costs. **Most members do not reach the Coverage Gap Stage or the Catastrophic Coverage Stage.**

Beginning in 2024, if you reach the Catastrophic Coverage Stage, you pay nothing for covered Part D drugs.

For specific information about your costs in these stages, look at Chapter 6, Sections 6 and 7, in your *Evidence of Coverage*.

SECTION 3 Deciding Which Plan to Choose

Section 3.1 – If you want to stay in Blue Medicare Advantage Enhanced PPO

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our Blue Medicare Advantage Enhanced PPO.

Section 3.2 – If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2024 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- *OR* – You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2024*

handbook, call your State Health Insurance Assistance Program (see Section 5), or call Medicare (see Section 7.2).

As a reminder, Wellmark Advantage Health Plan offers other Medicare health plans and Medicare prescription drug plans. These other plans may differ in coverage, monthly premiums, and cost-sharing amounts.

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Blue Medicare Advantage Enhanced PPO.
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Blue Medicare Advantage Enhanced PPO.
- To **change to Original Medicare without a prescription drug plan**, you must either:
 - Send us a written request to disenroll. Contact Customer Service if you need more information on how to do so.
 - – *OR* – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 4 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2024.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get “Extra Help” paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2024, and don’t like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2024.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 5 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state. In South Dakota, the SHIP is called Senior Health Information and Insurance Education (SHIINE).

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. Senior Health Information and Insurance Education (SHIINE) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call Senior Health Information and Insurance Education (SHIINE) at 1-800-536-8197 in Eastern/Central South Dakota and 1-877-286-9072 in Western South Dakota. You can learn more about Senior Health Information and Insurance Education (SHIINE) by visiting their website (<https://shiine.net>).

SECTION 6 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs.

- **“Extra Help” from Medicare.** People with limited incomes may qualify for “Extra Help” to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
