

Important information about the enclosed premiums and Medicare deductibles and cost-sharing amounts

The MedicareBlue Supplement information enclosed in the 2022 Outline of Coverage booklet reflects plan benefits and premiums for coverage effective **on or before** Dec. 31, 2022.

Determining your 2023 premiums

The plan premiums shown in the enclosed 2022 Outline of Coverage booklet are good through Dec. 31, 2022. The 2023 premiums shown in this document are effective for new and existing policies beginning Jan. 1, 2023.

If you are within a guaranteed issue rights period, you will receive preferred, non-tobacco premiums.

All other applicants should refer to the 2023 MedicareBlue Supplement application to determine your appropriate premium table. Based on your answers to the health questions, the application will guide you to the appropriate premium table.

If we do change your premium, we will notify you at least 30 days in advance. However, if you are applying for coverage within 60 days of a premium change with an effective date prior to the premium change, Wellmark will provide notice of the new premium within a reasonable period of the time after the enrollment of your application.

Premium payments may be made on a calendar month, calendar quarter, semi-annual calendar year, or calendar year basis. For example, a monthly premium would be for the first day of a month through the last day of such month. A quarterly payment would be for any calendar quarterly period, such as January 1 through March 31. A semi-annual payment would be for the period of either January 1 through June 30 or July 1 through December 31. An annual premium would be for January 1 through December 31 of the applicable year.

The amount of your periodic premium payment will change as provided in the policy and from time to time based on changes in your coverage, including but not limited to, changes in benefits, payment obligations (such as deductible, coinsurance and copayments), your age, or other factors that require adjustments to the total premium. These changes may occur at times other than an annual or other policy renewal.

If you elected to authorize automatic premium withdrawals from an account, the automatic withdrawal will change periodically to correspond with the applicable premium. Your authorization for automatic premium withdrawals shall include authorization for automatic withdrawal of any changed amount unless you call or provide your bank with written notice not less than three (3) business days before a scheduled withdrawal to stop the payment. If you call your bank to stop payment, you may be required to provide a written request within fourteen (14) days after your call. You will be responsible for any fee assessed by your bank for stop-payment orders that you make.
