

WELLMARK BLUE CROSS AND BLUE SHIELD MOLECULAR TESTING PRIOR AUTHORIZATION PROGRAM – ORIENTATION SESSION SCHEDULE

Wellmark Blue Cross and Blue Shield has collaborated with eviCore healthcare to provide patients with access to high quality, medically appropriate care that is consistent with evidence-based treatment guidelines. As part of these efforts, molecular testing services will require prior authorization for patients covered by Wellmark commercial plans effective October 1, 2023

Beginning in September 2023, eviCore healthcare will be leading online orientation sessions designed to assist you and your staff with the new program. These sessions will include detailed information about the prior authorization process, accessing information from the eviCore website and a question-and-answer period.

Registration

All online orientation sessions require advance registration. Each online orientation session is free of charge and will last approximately one hour. All sessions are scheduled in Central Time.

How to Register

Please read the following instructions to register for and participate in a session:

1. Please go to <http://eviCore.webex.com>.
2. Select “WebEx Training” from the menu bar on the left.
3. Click the “Upcoming” tab. Choose “**Wellmark BCBS Molecular Testing Utilization Management Program.**”
4. Click “Register” next to the session you wish to attend.
5. Enter the registration information.

After you have registered for the WebEx session, you will receive an e-mail containing the toll-free phone number and meeting number, conference password, and a link to the web portion of the session. **Please keep the registration e-mail so you will have the link to the Web conference and the call-in number for the session in which you will be participating. We recommend that you add the session to your calendar so you do not forget.**

If you are unable to participate in a session, you can obtain a copy of the presentation as well as other important documents at <https://www.evicore.com/resources/healthplan/wellmark>. Documents are available in PDF format. If you need Adobe Reader, you can download it from www.adobe.com/products/reader/.
