SilverSneakers® Fitness

SilverSneakers® is a basic fitness benefit that includes fun and energizing programs that help older adults take greater control of their health by encouraging physical activity. It is designed to improve overall fitness by increasing muscular strength, endurance, flexibility, agility, and balance. Physical exercise improves the overall wellbeing of the member.

Original Medicare

Original Medicare does not cover fitness services.

Wellmark Advantage Health Plan HMO Enhanced Benefit

Wellmark Advantage Health Plan (WAHP) Blue Medicare Advantage HMO is a Medicare Advantage plan that provides at least the same level of benefit coverage as Original Medicare (Part A and Part B) and may provide enhanced benefits beyond the scope of Original Medicare within a single health care plan. This flexibility allows WAHP Blue Medicare Advantage HMO to offer enriched plans by using Original Medicare as the base program and adding desired benefit options such as SilverSneakers® fitness.

Coverage for the SilverSneakers® fitness program is provided to members under WAHP Blue Medicare Advantage HMO plan. Because Original Medicare does not cover fitness services, the scope of the benefit, reimbursement methodology, maximum allowed payment amounts, and member cost sharing are determined by WAHP.

Benefits include:

- SilverSneakers® membership at any participating location nationwide
- Customized SilverSneakers classes, seminars, and other social educational events
- A trained senior adviser at the fitness center to show the member around and help him or her get started
- Conditioning classes, exercise equipment and may include a pool, sauna, or other available amenities
- Online support and programs tailored to your fitness needs, help to lose weight, reduce stress, or quit smoking
- SilverSneakers® 4 or 12 week programs includes walking, strength building and meditation

Eligible members will receive a SilverSneakers® membership card and may enroll at one of the participating SilverSneakers® Fitness centers. Members must show their WAHP identification card when enrolling at one of the participating fitness centers.

WAHP members not in close proximity to a contracted fitness center may request SilverSneakers Steps, an at-home exercise kit that includes a drawstring bag, pedometer, exercise resistance bands, exercise DVD and exercise cards. Members also have the option to download the SilverSneakers GO™ app at home: www.SilverSneakers.com/GO or call 1-866-584-7352.
