AUTHORIZATION TO DISCLOSE PROTECTED HEALTH INFORMATION

Protected Health Information to be Disclosed: I authorize Wellmark to disclose the protected health information described in this form to the named Authorized Personal Representative.

This authorization shall include and apply to any and all protected health information related to treatments where the individual has requested a restriction and/or for any health care item or service for which the health care provider has been paid out of pocket in full.

Effect of Granting this Authorization: I understand that if the person or entity that receives the information requested is not covered by federal or state privacy laws, the information described above may be redisclosed and will no longer be protected by law.

Prohibition on Redisclosure: This form does not authorize the disclosure of medical information beyond the limit of the authorization. Where information has been disclosed from the records protected by Federal law for alcohol/drug abuse records or state law for mental health records, the Federal requirements (42 CFR Part 2) and state requirements (Iowa Code Chapter 228 or South Dakota Codified Laws Chapter 27A-12) prohibit further disclosure without the specific written consent of the patient, or as otherwise permitted by such law and/or regulations. A general authorization for the release of medical or other information is NOT sufficient for this purpose. The Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

No Conditions: This authorization is voluntary. Wellmark will not condition your enrollment in a health plan, eligibility for benefits or payment of claims on giving this authorization.
